*First taxable use is the month when the vehicle was or will be registered. If filing for multiple vehicles with different months of first taxable use, a return must be filed for each month separately. If more than one return must be filed for the same company due to multiple months of first taxable use in the same tax period, a processing fee per return will be charged in addition to our normal filing fees.

Will any of the above listed vehicle(s) be used less than 5,000 miles (7,500 for agricultural vehicles) from the period July 1st 2018 through June 2019 () Yes () No

If yes, list full VIN # _____, _____
